## **SkyWest Airlines Recognized as a Best Place to Work in 2020, a Glassdoor Employees' Choice Award**

**St. George, Utah, Dec. 11, 2019** – SkyWest Airlines has been named a Glassdoor Employees' Choice Award recipient, recognizing the Best Places to Work in 2020. The award, based solely on employee reviews, is a reflection of the unmatched culture and team-based environment enjoyed by SkyWest's more than 14,000 employees.

"SkyWest's success can be directly connected to the incredibly talented group of people we have working here," said Chip Childs, President & CEO of SkyWest. "This award is a credit to each of them for the teamwork and passion they demonstrate in taking care of millions of passengers every month across the country."

SkyWest is the only regional airline included on the 2020 list, achieving an overall company score of 4.3 out of 5. SkyWest was recognized as one of Glassdoor's Best Places to Interview in 2017.

Glassdoor's Best Places to Work were determined using company reviews shared by U.S.-based employees between October 23, 2018 and October 21, 2019. Employee reviews included feedback regarding their satisfaction with the company, career opportunities, culture, senior management, and work/life balance. To be considered for the U.S. large category, a company must have had at least 1,000 or more employees and have received at least 75 ratings across each of the eight workplace attributes from U.S.-based employees during the period of eligibility. The final list is compiled using Glassdoor's proprietary algorithm, led by its Economic Research Team, and takes into account quantity, quality and consistency of reviews.
